ACHIEVEMENTS

</> **Code Optimization**

Optimized codebase, resulting in a 20%

reduction in loading time.

🗄 **Database Performance Improvement**

Assisted in optimizing database queries

across 5 projects for improved

performance.

ACHIEVEMENTS

Increased User Engagement

Developed user-friendly interface

leading to a 15% increase in user

engagement.

STRENGTHS

Continuous Learning Attitude

Commitment to staying updated with the

latest industry trends and technologies,

fostering personal and professional

growth.

Programming Proficiency

Extensive experience and fluency in

multiple programming languages,

enabling efficient development and

problem-solving.

Collaboration and Communication

Excellent interpersonal skills and the

ability to work effectively in cross functional teams, facilitating seamless

project collaboration and communication.

Version Control Proficiency

Experience with version control systems

like Git, enabling effective collaboration

and code management within

development teams.

Knowledge

Extensive experience with web

development technologies HTML5,

CSS3, JavaScript, etc.).
